Dear [Redacted]

Thank you very much for your kind letter of 30 May.

I found the dialogue on "Civil Liberties and National Security in 1984" to be not only most enjoyable, but a particularly stimulating experience. The session provided an opportunity to permit representatives of opposing viewpoints on this important topic to sit together in a quiet and civilized environment to talk out these issues. This is something which, in my judgment, happens too rarely. I am very grateful indeed that you had asked me to participate. The excellent amenities which your staff provided in your lovely city are equally appreciated.

Sincerely,

[Redacted Signature]
